Keep for your information

On the day of the clinic wear comfortable shorts, shirt, and tennis shoes and bring a water bottle. Then the following week, the girls will perform with the Highsteppers during halftime on October 24, Friday night, at the Lawton High vs. Putnam City North football game. The girls will meet with the Highsteppers at the west end (lower side) of the stadium near the field house at 6:45 pm and get their T-shirts. The girls will get in free; however, the parents must pay to enter the stadium. The girls will stay with their parents until there is 5 minutes left before halftime. At that time, the girls will meet with the Highsteppers at the west end of the field. Please make arrangements to meet your daughter back at the west end of the field area after the performance. Thank you for your participation in our clinic.
