

# Reading Proficiency Test Requirement For Driver's License

State law requires a satisfactory score on the 8<sup>th</sup> Grade Reading Criterion-Referenced Test (or another approved test) to get a driver's license. This requirement ends on a person's 18<sup>th</sup> birthday.

Lawton Public School students not scoring satisfactorily on the 8<sup>th</sup> Grade Reading Criterion-Referenced Test and who want to apply for a driver's license may take an alternative reading test on the following Saturdays during the 2011-2012 school year.

## All tests will be given at the Central Middle School Cafeteria
