Whittier's Annual Talent Show is scheduled for Friday, Dec. 16. We will have the Talent Show the last school day before our December break. Auditions will be held during students' regular Music class time on Wednesday, Dec. 7 and Thursday, Dec. 8. Please read the following procedures:

*You must provide your own music, props, costumes and any other necessary items for your talent at the audition.

*You must come to auditions prepared.

*When speaking or singing, you must project your voice in a clear tone.

*You cannot lip-sync to a music recording. You must have an accompaniment recording when singing. No a capella singing will be allowed.

*No inappropriate language or non-verbal gestures will be allowed.

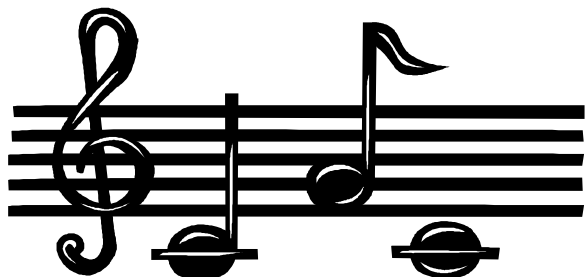

*Your talent must be appropriate for an audience.

*Each entry shall be no longer than 3 minutes.

*We encourage students to work in small groups for an act.

Please come prepared for auditions. You must show us everything you will be doing for your talent. In addition to singing, past acts have included playing an instrument, comic acts, dancing, magic, and original poetry.

Unfortunately, not everyone will be selected. Start working on your talent now! Be creative with what you can do. Practice often so you can present yourself with your very best! Break a leg!!!!

Happy Birthday
